

"Mini Bocce" School Program

The Kelly Sports Mini-Bocce Program, in partnership with SA Bocce Federation, is a modified game of bocce which is simpler and more appropriate for children.

Mini-Bocce can be easily played by groups of various sizes and on all types of surfaces, making it an ideal introduction for schools.

Consider including bocce as part of your Italian language curriculum - offering students an intercultural experience of the origins and game of Bocce.

For more information on how Kelly Sports can tailor a Mini-Bocce program to suit your school, call your local Kelly Sports Franchise Owner - Ian Barnes 0439 063 916 or email ianbarnes@kellysports.com.au
